Dear Mr. Ross and Ms. Baker:

On behalf of the Boeing Realty Corporation, I am pleased to provide the subject report for your review. Per an agreement between Boeing and Lockheed Martin, the report was prepared by Integrated Environmental Services, Inc. in cooperation with Lockheed Martin's consultant, Geraghty & Miller, Inc. This workplan has been designed to facilitate the characterization of groundwater quality along the western boundary of the C-6 Facility.

I appreciate the opportunity to work closely with you and your staff on this important project. Should you have any questions concerning this document or the project please feel free to contact me at your earliest convenience.

Very truly yours,

Michael Y. Young, Ph.D.
